

Missional Roundtable

Are you a missionally-oriented church leader, church planter, local business, or non-profit? Do you desire to guide your organization or culture toward missional practices in our city? **You're invited!**

Purpose: to connect missional practitioners in the city of Colorado Springs for depth of relationship, mutual encouragement, intentional prayer, and practical training & resources. **We meet once per month at locations around our city.**

Our Core Values below guide our conversations, define our reason for gathering, and are the focus of support and prayer for each other.

Missional: God is a missional God. The Father sent the Son, the Father and Son sent the Spirit, and the Triune God sends the church into the world as a sign, foretaste and instrument of the kingdom. As God's sent people, we participate WITH him on his mission to reconcile, renew, and restore, announcing the already but not yet kingdom by the power of the Holy Spirit. As such, we seek to develop rhythms of life that enable us to live as servant missionaries within our culture.

Incarnational: As God's sent people, we are defined by our identity that is rooted in Jesus. Therefore, we are sent into the world as people who embody the fullness of the gospel through tangible acts of love, sacrificial service, and a life that displays the love of God toward one another and our neighbors.

Community: We endeavor to live deeply into tight-knit community, life-forming discipleship, locally-rooted presence, and boundary-crossing mission. We believe that community and missional, incarnational living should be the precedent that leads to a growing and vibrant church or ministry.
